From William & Mary Quarterly Historical Magazine, Vol. 5, pages 473-481;

I. William Webb must have born about 1700, for his son, William Crittenden Webb, was born in 1732, and his son, John C. (C. All Crittenden fair assumption is that wife was a Crittenden) , was married by 1754.

He was living in Spotsylvania County in 1747, as he witnessed will of Joh Graves (Crozier's Spotsylvania County Records, page 9) Same record, page 359 last appearance in records Dec. 14, 1780. Sells land to David Sandidge uses mark. He died in 1783 in Orange County, VA (not NC) ., where it is recorded Jan. 17, 1783.

Mentions the following:

1. Daughter, Ann Gatewood d. 1791 wife of Henry
2. Son, John C. Webb m. 1754 Mary daughter of Mary Singleton, daughter of Samuel Brockman
3. Son, William C. Webb
4. Daughter, Martha Watkins
5. Son, Richard C.
6. Son, James C. Appointed surveyor of the county by the Master of William and Mary. Captain in Rev. War

Scott's History of Orange County, page 261.

7. Daughter , Sarah Groom
8. A son, Forrest Webb predeceased their father (born 1743)
9. A daughter, Milly Webb predeceased their father

Grandchildren Susannah Randolph, (to whom he leaves a silver seal) and John Groom

In March 1754, Forrest Webb and his brother, John C, were roommates at William and Mary College housing

William and Mary at that time had a Grammar School as in 1760 there was a Rev. William Webb appointed as Master of the Grammer School. But I couldn't find out anything else about Rev. Webb.

William Webb born in Va. (from my family) was taken to Boone Co. Ky in his infancy 1778. If Forrest did indeed go to Ky. prior to 1783. He might have presumed to have been dead by the family. Forrest wife was Caty Smith. Through this line legend is that it was the Capt. John Smith family. William son of Forrest had a son Forrest M. b. 1802 in Boone County, Ky. who died in Kokomo IN. 11-25-1883..

When I have time I'll see what I can find in the Virginia Magazine and Tyler's Quarterlies as these are available in the Public Library.--Didn't forget you. Giles information is a mess. Do you have a copy? Myra Wright
