 suebod@tampabay.rr.com writes:

My brother is trying to join the SAR and
 having difficulty linking Hal with his son Giles.

Dear Sue,

We have the DNA of a proven descendant of Hal Webb through his son Andrew.

John Webb III (04/27/1693 Henrico Co., VA.- 04/27/1736, Henrico Co., VA.);
 Jacob Webb (c. 1722 Henrico, VA - after 1787, Franklin Co., VA); Henry "Hal"
 Webb (c. 1758/60 - c. 1845, Grayson Co., VA.); Andrew Webb (1787, Grayson
 Co., VA - c. 1874, Grayson, VA); Andrew "Big Andy" Webb (05/06/1825, Grayson
 Co., VA - 05/06/1902, Grayson Co., VA); William Andrew Campbell Webb
 (12/07/1860, Carroll Co., VA - 05/23/1934, Carroll Co.,VA); Marion Franklin Webb
 (09/29/1895, Carroll Co., VA - 02/06/1988 Carroll Co., VA); K D Webb (1925 - 2005)

I would suggest your brother join the DNA Project. While DNA cannot prove
 your Giles Webb is the SON of Hal Webb, a match would cement your relationship
 to his family. By recruiting other descendants of the other Giles Webbs
 could eliminate some of them as being from the same family.

Anne Webb Nelson
